DASH CAM

THE DASH CAM IS AN INCREDIBLE INVENTION.
EVEN IF YOU ARE INVOLVED IN AN ACCIDENT, YOU CAN
USE IT TO EASILY DETERMINE WHO IS IN THE WRONG.

THEY HAVE BEEN INSTALLED ON
AIRCRAFTS AND CARS, AND RECENTLY,
ON A WIDER RANGE OF VEHICLES SUCH
AS MOTORCYCLES, SKATEBOARDS, AND DRONES.

ARE YOU LISTENING?
THIS ISN'T A HIDDEN CAM.
IT'S JUST A DASH CAM.

YEAH, YOU'RE RIGHT.
IT'S NO HIDDEN CAM SINCE
YOU DID IT UPFRONT.
